

2017 has been a
HUGE
year for the NADC

Here's a snap shot of our year in review!

So...

What have we done?

What are we going to do?

What are you going to do?

We continue to promote the aims of the NADC

And we remain financially independent!

- The **Australian Diabetes Society (ADS)** remains responsible for the operations of the NADC
- In 2015 the NADC began its journey to become financially independent. In 2016 this goal was achieved
- Member centres pay an annual membership
- Support from industry partners to run educational events and create resources
- Applied for project funding from various sources

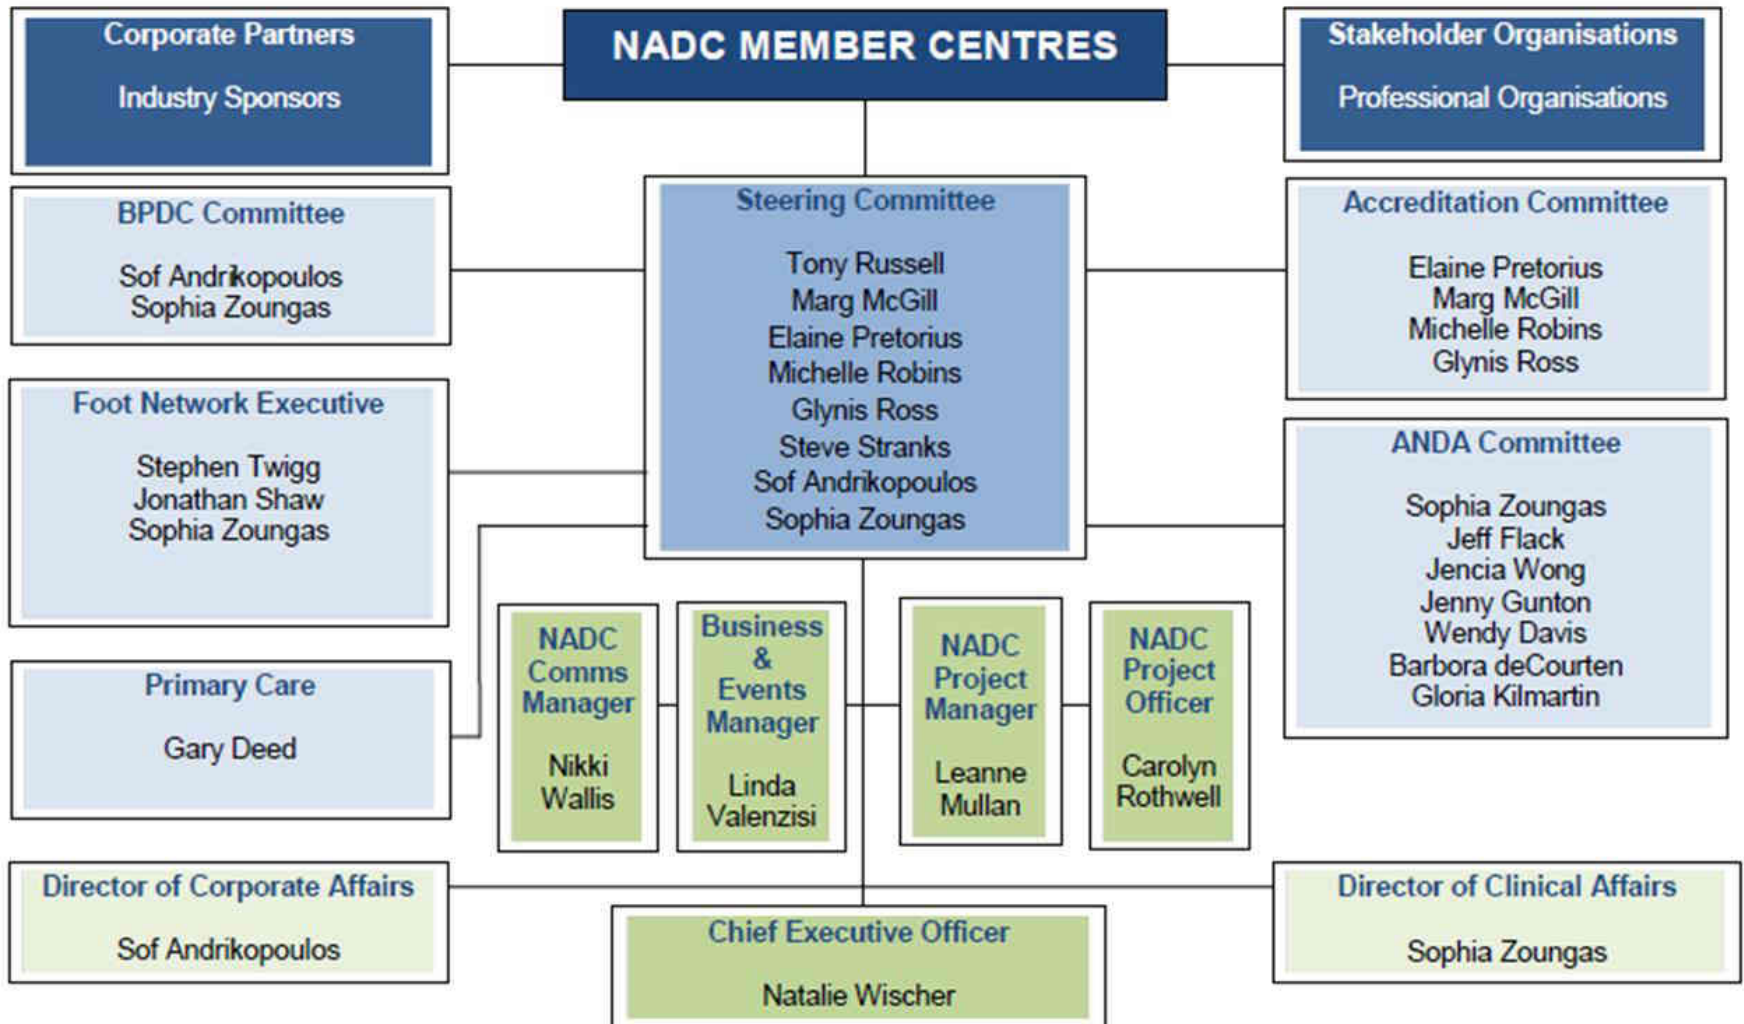

We grew!

- CEO 0.6 FTE
- Communications Manager 0.2 FTE
- Project Manager 0.6 FTE
- Project Officer 0.6 FTE
- ADS Business & Events Manager 0.2 FTE

Structure of the NADC

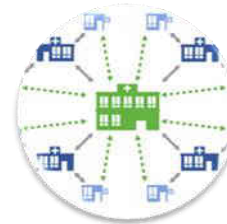

What did the NADC do in 2016/17?

- Developed the online **National Diabetes Care Course**
- **2016 BPDC** Symposium
- Coordinating the inaugural 2017 Australasian Diabetes Advancements and Technologies Summit (**ADATS**)
- Developed the **NADC Foot Network** and working party
- Developed the **Pharmacy Accreditation Committee** and standards for pharmacy-based diabetes services
- Expanded membership offering to **pharmacies and PHNs/PCPs**
- Updated our **membership categories**
- Upgraded our membership database – **client management system**
- **Resources and repository** evolved
- **Website** updated
- Launched **accreditation 2.0**
- **Centres of Excellence 2017**
- NADC trademarked
- Expanded our **social media** presence
- NADC has its own **APP**
- Continue to implement elements of the **National Diabetes Strategy**
- NADC represented at **international meetings**

Key Focus Areas

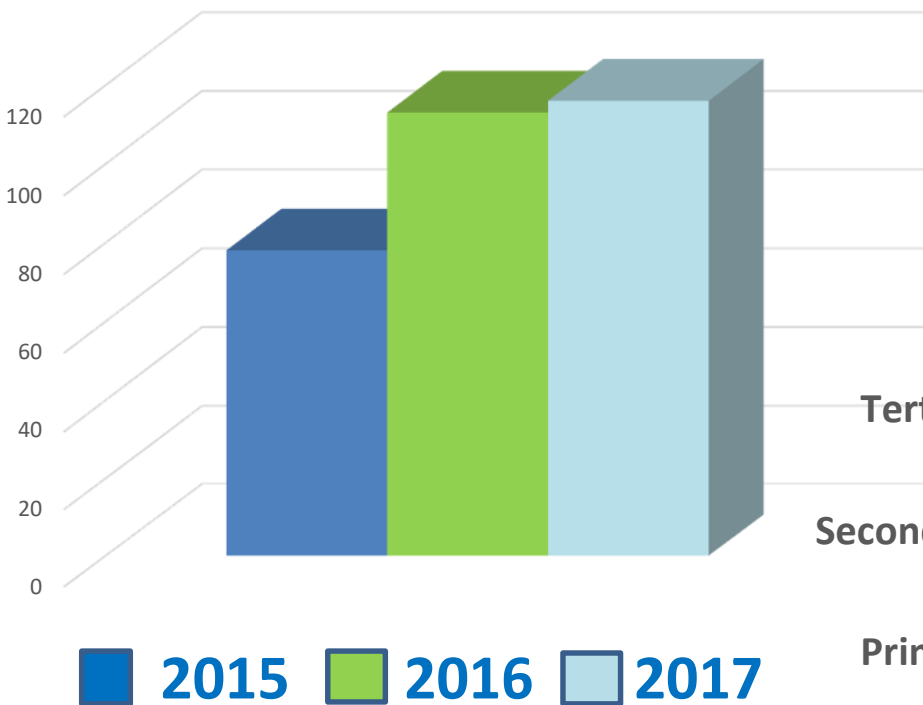

- Membership
- Mapping of services
- Member resources
- ANDA
- Accreditation
- National Diabetes Care Course
- BPDC
- ADATS
- Pharmacies
- App

NADC Membership

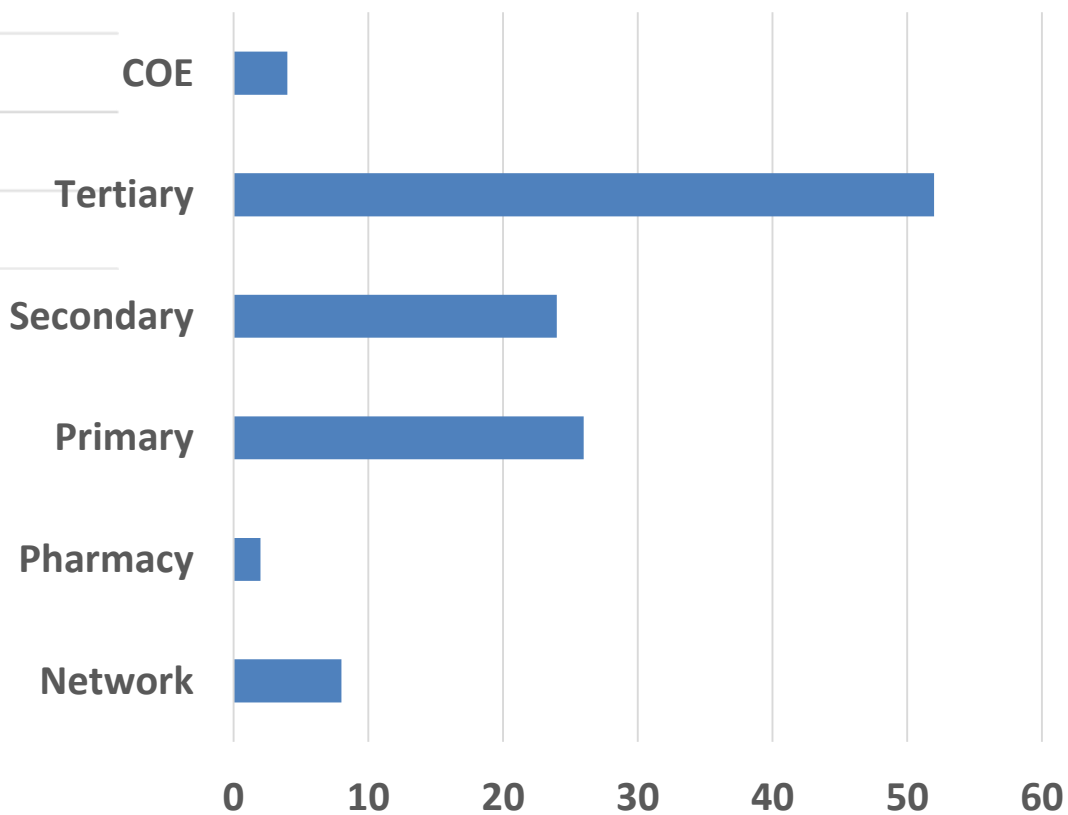

Number of NADC Centres

Current membership and a list of accredited centres can be found on the NADC website at www.nadc.net.au.

Type of Service

Membership & Resource Repository

The screenshot shows the NADC website interface. The top navigation bar includes links for Home, Membership, ANDA, BPDC, ADATS, Foot Network, EOIs, and Presentations. The Membership dropdown menu is open, showing options like Membership Categories, Benefits, Forms, and Services. The 'Member Section' is highlighted, with a sub-menu showing 'Promote NADC', 'Latest Resources', 'Resource Repository Quick Links', 'Conference Resources & Presentations', 'Resources From Member Centres', 'Quality Improvement', and 'Position Descriptions'. The 'Latest Resources' section is also visible, featuring a search bar, a 'Subscribe to NADC!' form, and a 'Follow us on Twitter!' section with a tweet from @NADCaustralia.

Australian National Diabetes Strategy (ANDS)

- The NADC continues to actively support strategies that work toward implementing the ANDS
- Meetings with key stakeholders
- BPDC 2016 had a strong focus on ANDS
- Discussions with key members of ANDS Implementation group
- Opportunities for involvement by member centres including a Delphi survey

NADC Foot Network

Key aims of the Foot Network

- Set national HRFS standards
- Lead a national HRFS excellence accreditation process
- Complete geographical mapping of HRFS
- Detail and deliver targeted health professional education
- Support clinical trials research network

NADC Pharmacy Support

THE NATIONAL ASSOCIATION OF DIABETES CENTRES SUPPORTS

pharmacies
