

NATIONAL ASSOCIATION OF DIABETES CENTRES

ALL ABOUT ACCREDITATION

- The NADC accreditation is the only accreditation of its kind to offer **comprehensive diabetes-specific accreditation** aimed at the improvement of quality and safety
- The objective of the NADC accreditation is to assist diabetes services to achieve quality patient care through **improved governance, service structure, and improved educational and clinical services**

BENEFITS OF ACCREDITATION

- 1) Status & Reputation - NADC certification as a high-quality diabetes service
- 2) Recognition - as a best practice service meeting stringent quality and safety standards
- 3) Knowledge-sharing - ability to leverage knowledge from other accredited centres to improve service delivery
- 4) Quality Improvement - be part of a broader goal to improve health services nation-wide by mentoring and educating smaller centres
- 5) Benchmarking - opportunity to compare performance against peer centres
- 6) Business Expansion - opportunity to broaden your centre's reputation and patient base
- 7) Service Improvement - opportunity to utilise the evidence gained from the accreditation process to lobby for increased funding and resourcing in areas where your service can be enhanced

ACCREDITATION IS FREE FOR NADC MEMBER CENTRES!
