

A snap shot of
our year in review

Another huge
12 months
for NADC

Presented by
Natalie Wischer

WHAT?

- What have we done?

- What are we going to do?

- What are you going to do?

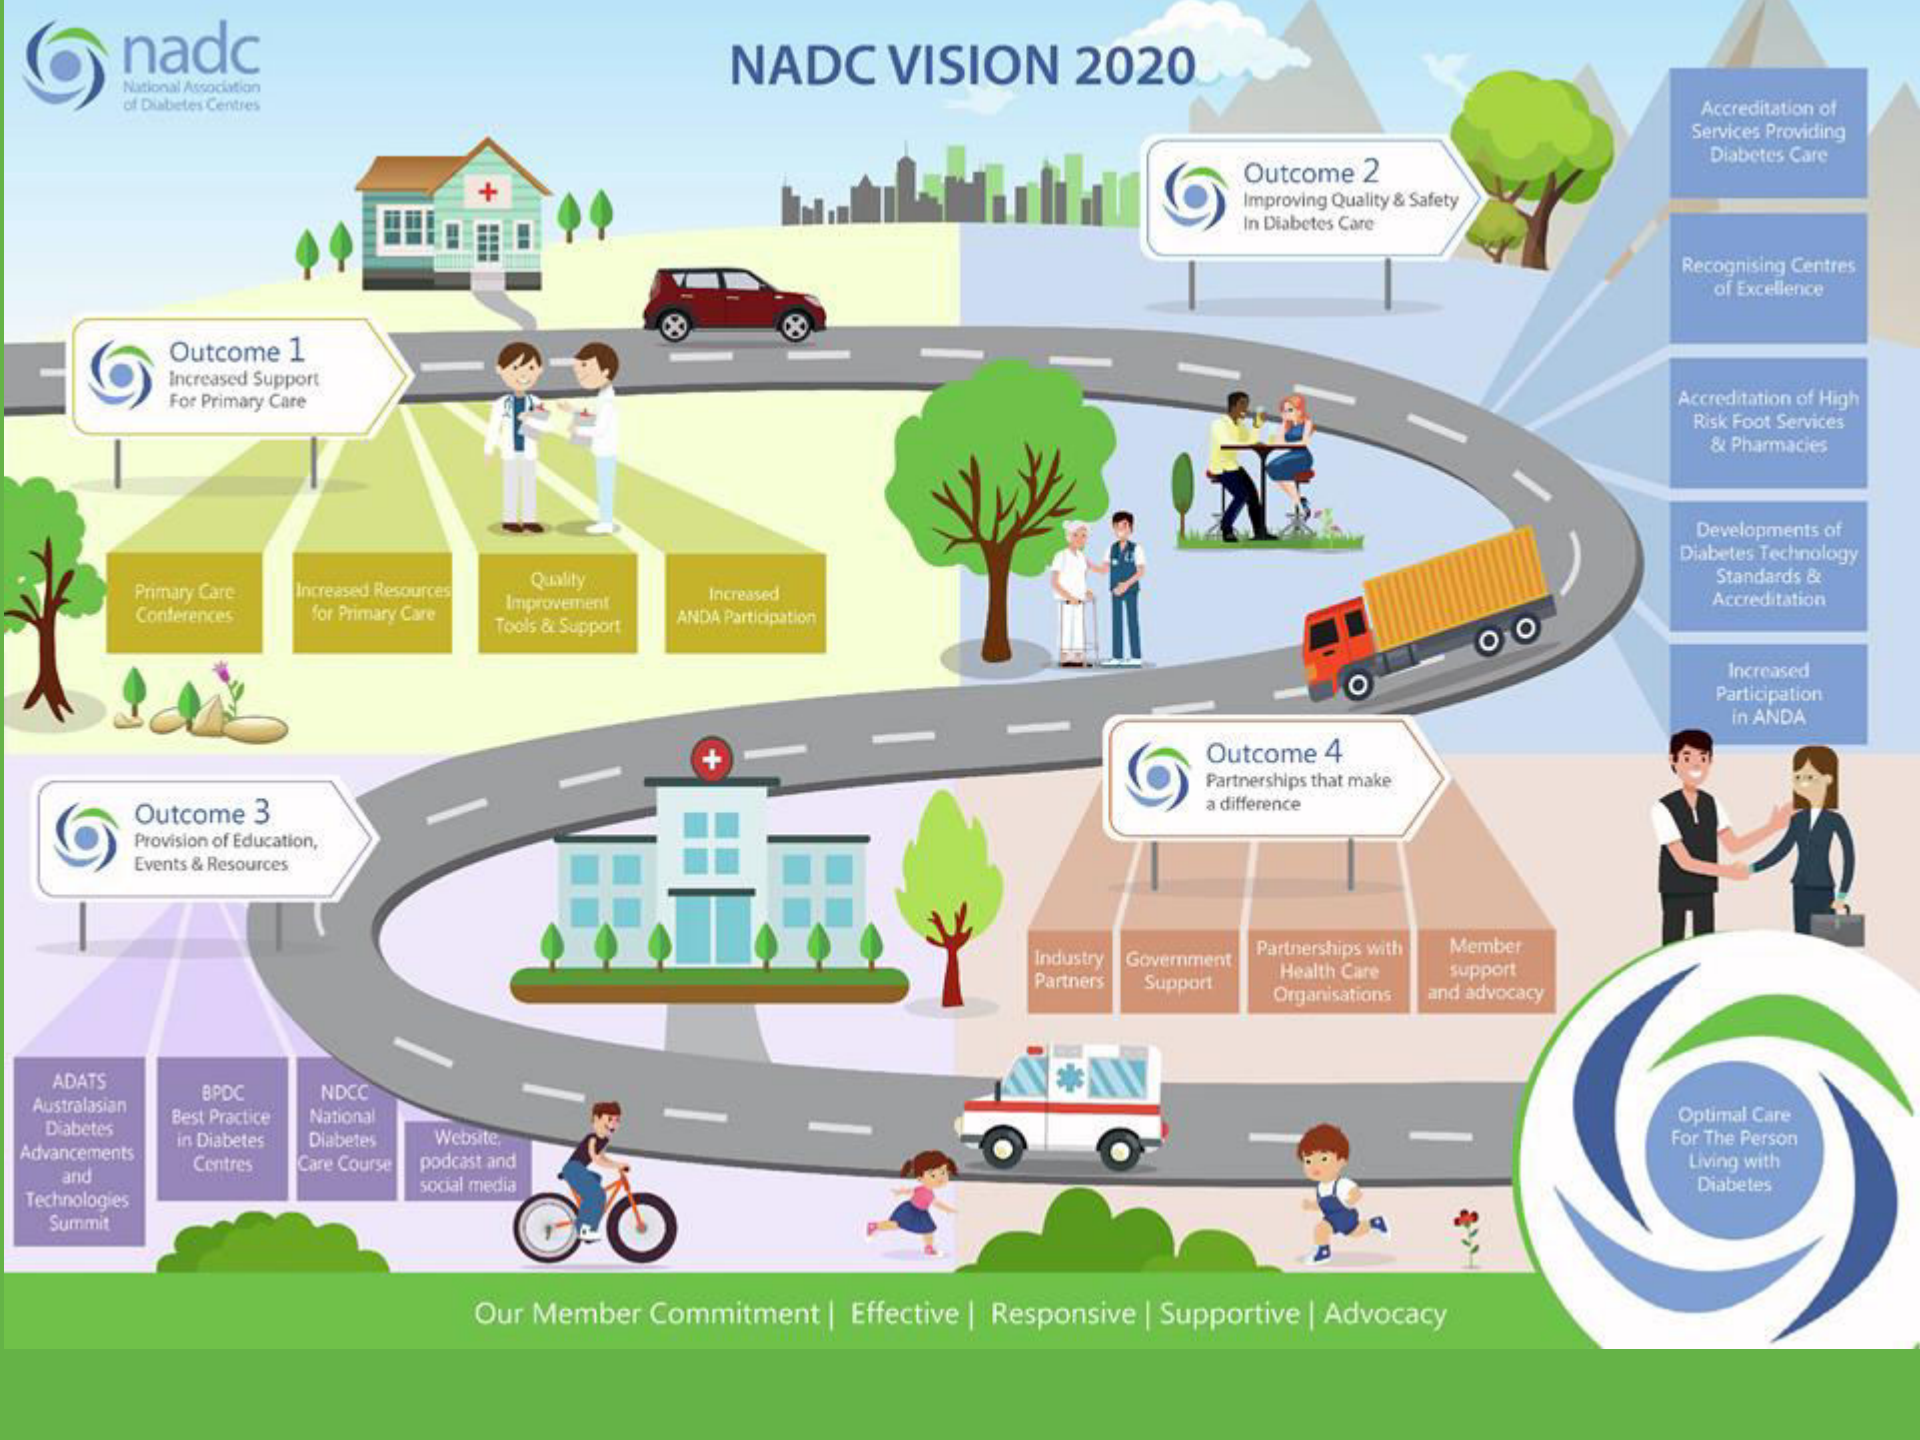

1994-2019

This year, the National Association of Diabetes Centres celebrates their 25th year of promoting excellence in diabetes care.

And to everyone not mentioned & photographed!

What did NADC achieve in 12 months?

- Australasian Diabetes Advancements and Technologies Summit (ADATS) and BPDC 2018
- Primary Care Diabetes Summit – June 2019
- Technology standards completed and accreditation on track
- The NADC Foot HRFS standards and accreditation launch
- Centres of Excellence - 2019
- National Diabetes Care Course - 285 participants
- Models of Care toolkit completed
- ANDA record participation and added longitudinal arm
- Multiple publications, national and international presentations of NADC related projects
- Update of NADC website commenced
- Increased member resources and tools in repository including NDSS resources
- Increased our social media presence

ACCREDITATION STANDARDS WORKBOOK

Accreditation 3.0 Version 2 2018

ACCREDITATION

The NADC Accreditation Standards 3.0 V2 is the only one of its kind globally to offer a three-pronged approach incorporating best practice in:

- Educational
- Clinical
- Governance areas

36 • Accredited centres in 2019

Benefits of accreditation

- Status & Recognition
- Recognition
- Knowledge-sharing
- Quality Improvement
- Benchmarking
- Business Expansion
- Service Improvement

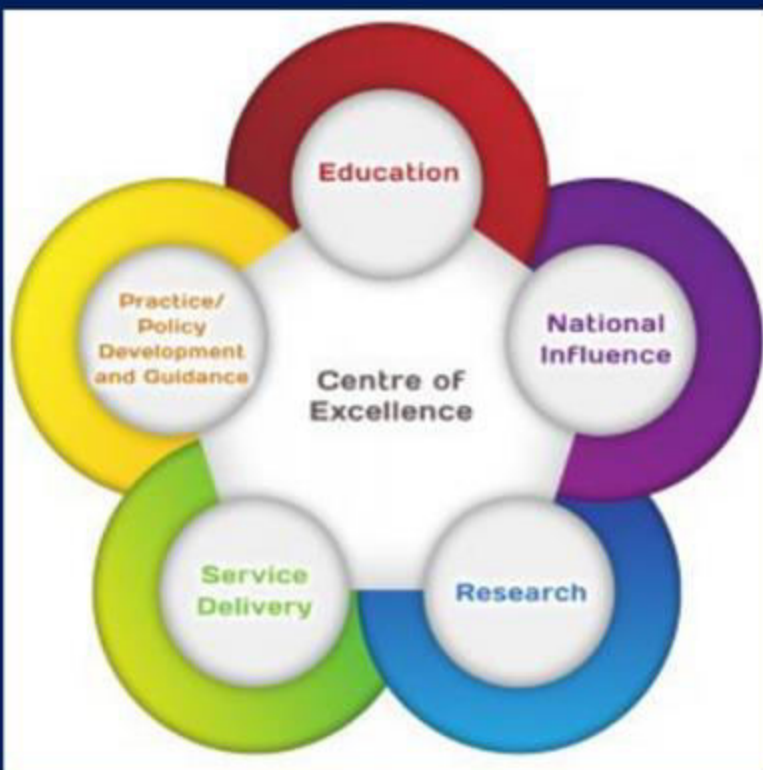

NADC Accreditation Application fees (effective 1st July 2018)

- \$45 for primary care
- \$65 for secondary care
- \$95 for tertiary care
- \$242 for pharmacy-based services

Find out more at: nadc.net.au/accreditation

Centre of Excellence (COE)

The NADC Accreditation Standards for Centres of Excellence recognise excellence in clinical, education, service advocacy and policy leadership on a national and international scale in the provision of diabetes care

- Successful COE applications will be announced today at the end of the NADC session.
- Next round open 2021
