

NADC CONFERENCE VIRTUAL HUB HOSTEXPRESSION OF INTEREST (EOI)

*** Kindly complete the form, SAVE and send back to admin@nadc.net.au

NADC is looking for diabetes-related organisations that are willing to host virtual viewing of ADATS and BPDC on October 22nd and 23rd 2021. Ideally, we would like organisations that have room availability for both days as well as some space for trade either within the room or just outside the room.

Depending on your location and capacity, we will invite ADATS and BPDC delegates (healthcare professionals) to attend the virtual meeting at your site within the appropriate numbers so as to ensure that we adhere to COVID safe practices.

In recognition of your organisation's contribution to hosting a virtual event, we will provide free registration to all of your diabetes service staff to both meetings. Numbers and names will need to be provided to ensure attendance certificates are appropriately allocated.

If you have further questions or wish to discuss this opportunity, please do not hesitate to contact the NADC team at admin@nadc.net.au

Hospital Name _____

Hospital Address _____

Contact Person _____ Mobile _____

Email Address _____

Briefly describe your conference room set up: (photos are encouraged)
